Assignment 1

1

#> Threshold: 0.5

#> Size: 1979

#> Classification Error: 0.05

#> Top 10 features

#> papers

#> important

#> submission

#> due

#> published

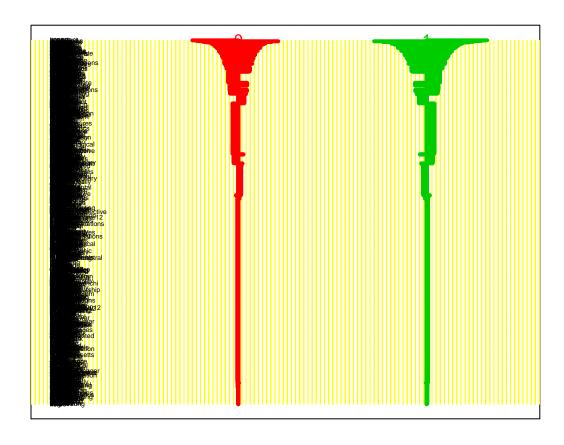

#> position

#> call

#> conference

#> dates

#> candidates

 $\mathbf{2}$

Elastic Net

#> Penalty Deviance

#> Lambda: 0.131162838159315

#> Size: 38

#> Classification Error: 0.15

Support Vector Machine

#> Size: 43

#> Classification Error: 0.05

3

#> Top 10 features

#> papers

#> submission

#> position

#> published

#> important

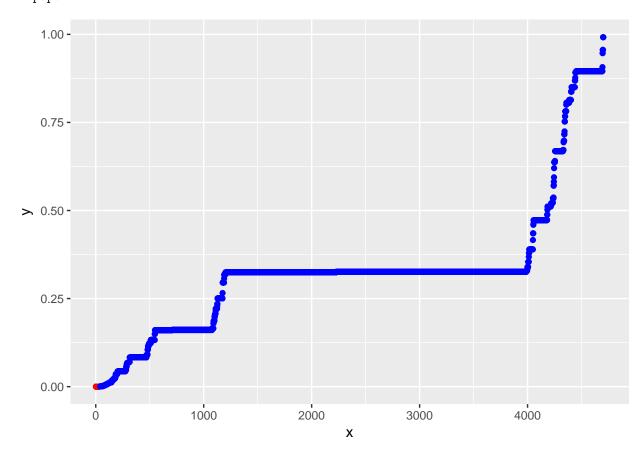

#> call

#> conference

#> candidates

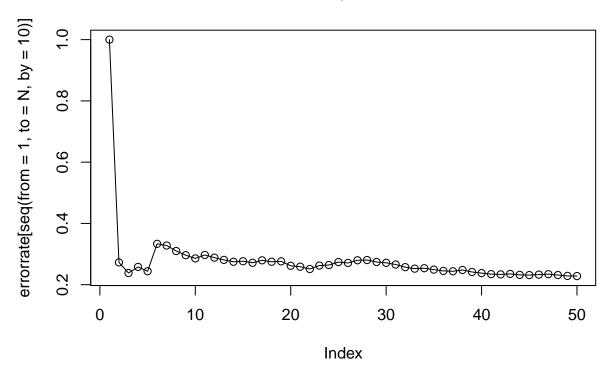

#> dates

#> paper

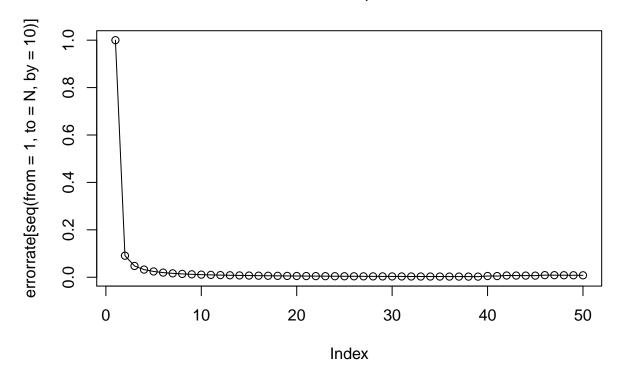

Assignment 2

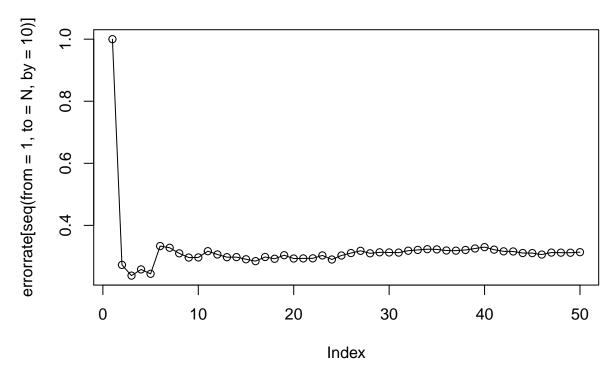

Beta=0, M=500

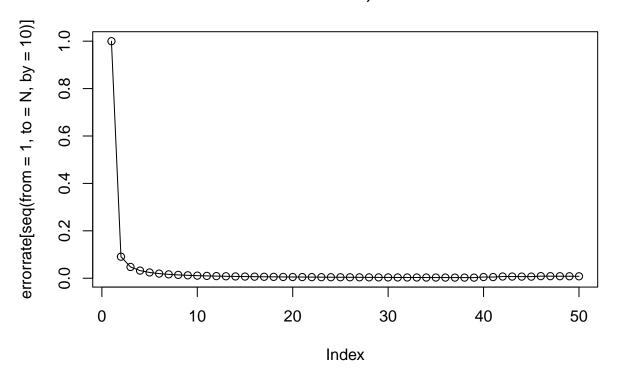

Beta=-0.05, M=500

Beta=0, M=20

Beta=-0.05, M=20

Appendix
